What our customers and readers say about us . . .

"The Clinton Instrument Company has worked with Intras Publications for many years now. We advertise primarily to support our trade show marketing efforts, but we also write editorials and place ads when we announce new product offerings.

"Europe and Asia are important markets for us and we've found print advertising to be the most effective way to reach both potential customers and to maintain a connection to established customers. Intras has helped us with promoting ourselves in these markets and provided an invaluable service to us."
